Proudly presents for

THE 1952 ORACLE

FOREWORD

The student historian occupies an unusual niche in the high school hall of fame. If his work is good it is taken for granted that such is as it should be. If his work is mediocre or below standard, he soon knows it. He cannot hope to receive the plaudits of the crowd nor the applause of the audience. His sole compensation is the satisfaction of doing his job well.

The Journalism Department has, as one of its most important assignments, the publishing of The Oracle. This is a history of the current school year. The class-work has consisted largely of the work involved—gathering the material, arranging for the photographs, editing the copy and pictures, and making layouts for the printer's direction.

Completed and placed in your hands as a true record of this year at Whitmer, The Oracle represents far more work and creative talent than it might seem to indicate. Only a close observer of the Staff could properly evaluate its work.

We hope that our effort will be mirrored in your satisfaction and continued enjoyment of this book. Down through the many years we hope you will treasure it as one of your choicest possessions.

"Friendliness" is defined in the dictionary as "The condition or quality of being friendly; or exercise of benevolence or kindness." But if someone were to ask you to state, in your own words, what friendliness means, you would surely find it hard to describe.

Friendliness is something that you cannot buy, beg, borrow, or steal; neither can you expect to have it without a little work or effort. It actually doesn't take much to be friendly; just a little common sense and respect for other people.

Whitmer has achieved a goal which few schools have attained; mainly, the reputation of being friendly. Not only is friendliness shown to the people within its walls, but to everyone, whether they are or are not known by Whitmerites.

DEDICATION

RALPH C. PRITTS

To one of Whitmer's most loyal fans this twenty-second edition of the Oracle is dedicated.

Mr. Ralph Pritts, mechanical drawing teacher and sports trainer, is this great fellow. He was born in 1903 at Chauncey, Athens County, Ohio, and graduated from high school in 1923. He worked in a coal mine after graduation to get money to go to college.

He attended Ohio University at Athens for one year and then taught a one-room school with all eight grades for one year at Morristown, Ohio.

He went back to the University for a year and then started his coaching career at Green's Run High School the following year. He taught there for two years and decided to return to school to complete his work for his Bachelor of Arts Degree. He graduated from Ohio University in 1931.

After graduation he taught at Hollister High School for eight years as Coach and Industrial Arts Instructor.

He had several championship basketball teams there. He left Hollister to go to Caldwell High School to take a similar position. He was there three years and came to Whitmer in 1939.

Mr. Pritts started the annual homecoming ceremonies and the bonfire which is usually held the night before the homecoming game.

He schedules the games for all sport events, and sees that the fellows are well-equipped.

Mr. Pritts belongs to the Side-Line Quarter-Backs, and is Secretary of the Athletic Council.

Although he is a busy man, he has found time to build his own home. When the season rolls around, he finds time to hunt and fish.

Ralph Pritts and his bow ties are a friendly, familiar part of Whitmer's life.

ARDEN C. WALKER
Principal of Whitmer High

Looking in retrospect at Whitmer High School life for the 1951-1952 school year, we realize that our athletic teams were not invincible; neither do we claim that many of our students will become world noted scholars or leaders; but even with these admissions, our school banners of which we sing so reverently in our school hymn, have been carried to a high level of achievement. I think we are better understanding that true education can never be adequately measured by points earned in contests of physical skill, contest or oral declamation, or even by demonstration of high academic abilities on local and national tests. It is more accurately portrayed by sincere graciousness, and friendliness extended to all of our associates by a deep respect for truth, honor and justice, by emotional stability and strength during times of stress; by a willingness to combine our talents with hard work, that we may contribute to world progress; and by humility before God for our many imperfections. These traits must serve as the foundation of our educational program; then, facts and skills may be taught with assurance that they will be used for the betterment of mankind.

It is in these areas that I think we at Whitmer may be proud. Our homes, churches, and schools have worked hard toward this end, and you are a credit to them.

It has been an abiding pleasure to have spent this year with you.

Best Wishes,
ARDEN C. WALKER, PRINCIPAL

THE ADMINISTRATION

Whitmer's first principal was Mr. C. L. Messmore, who retained the position until 1936. In 1936 Mr. Earl Keller was principal, followed by Mr. Elmer Marks in 1938. Our own Mr. Arden C. Walker became principal on February 1, 1950.

In 1937 Mr. Earl Keller was local superintendent. In the fall of 1940, Mr. A. N. Thurston assumed the position, followed by Mr. Earl B. Driver in 1945.

Mr. J. W. Whitmer was the first county superintendent, followed by Mr. E. J. Krieger. Mr. Harold M. Ryder, one of the original 88 county superintendents from Ohio chosen in 1914, has been superintendent of this county since 1940 when he came from Fremont, Ohio.

ADMINISTRATION

May I congratulate Whitmer High School upon its steady growth. New buildings, added teachers, and increased effort show the cooperation of the community. May I congratulate the school again upon its high ideals which are keeping pace with this steady growth. I vision Whitmer as one of the outstanding schools of the state.

MR. HAROLD M. RYDER
Superintendent of Lucas County

To Our Many Friends:

I am happy to comply to the annual request from the Oracle Staff to write a brief message for the Oracle. This is being written in the early fall, but I am already impressed with the promptness and energy with which the "Annual" group are applying themselves to their task. I predict that you will be reading and seeing the many fine things in the Oracle much earlier than usual.

The many hundreds of people who are connected with Whitmer, either directly or indirectly, are proud of the school and its achievements. Such agencies as the Oracle are among the fine attributes which serve as reflectors for what such institutions as ours are doing.

I want to praise and thank, in advance, the entire Staff and their sponsor, Mr. Rice, for the fine accomplishments which I am sure will be theirs.

With best wishes to all subscribers of our great Yearbook, and with high hopes that you will always continue to be Whitmer boosters, I am

Sincerely yours,
Earl B. Driver

Row 1: Ruby Mosher, Olive Stratton, Marjorie Henderson, Lillian Starkey. *Row 2:* Hazel Briggs, Madelaine Huffer, Doris Bird.

There are quite a few faces seen around Whitmer but none are as familiar as the maintenance men and the cafeteria workers. What would Whitmer do without them? Who would keep the halls clean, make repairs, keep the students well fed, and keep the school warm. These people are seen day in and day out, during the whole school year.

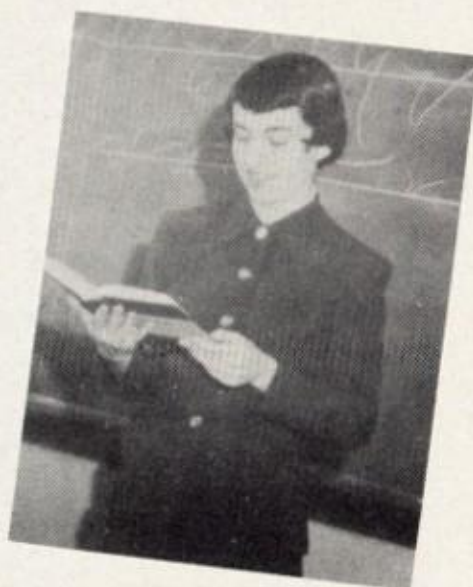

MAINTENANCE

THE FACULTY

In 1924, Whitmer High School, consisting of the ninth grade only, was held at Wernert School. At this time, Mr. E. J. Kreiger was the only teacher. In 1925 the faculty increased to four teachers, teaching two grades. In 1926, Whitmer had five teachers and three grades were taught. The first year for a complete, four-year high school was 1927. The new Whitmer, at its present location, was opened in 1928. In 1929, the new wing was erected. During the present school year, 1951-52, the faculty consists of thirty teachers.

SENIOR CLASS HISTORY

They say that time flies, and we can well believe that, when we look back on our days at Whitmer.

It seems only a short time ago that we were "green" freshman. Like all the classes before us, we were rather scared when we first began but we soon got over that.

By the time our sophomore year began, we felt quite at home and became more active in school activities.

Then suddenly we were upperclassmen and went plunging into a year of exciting events. The first was the arrival of our class rings, a big moment in any student's life. In February we gave our Junior Prom at the Secor Hotel and everyone seemed to have had a wonderful time.

Then of course, we gave an assembly. Just like all the other classes we believed ours was the best of the year, but then, wasn't it? To top off the year we presented our Junior Play, "Our Hearts Were Young and Gay." It was a rollicking comedy which everyone enjoyed.

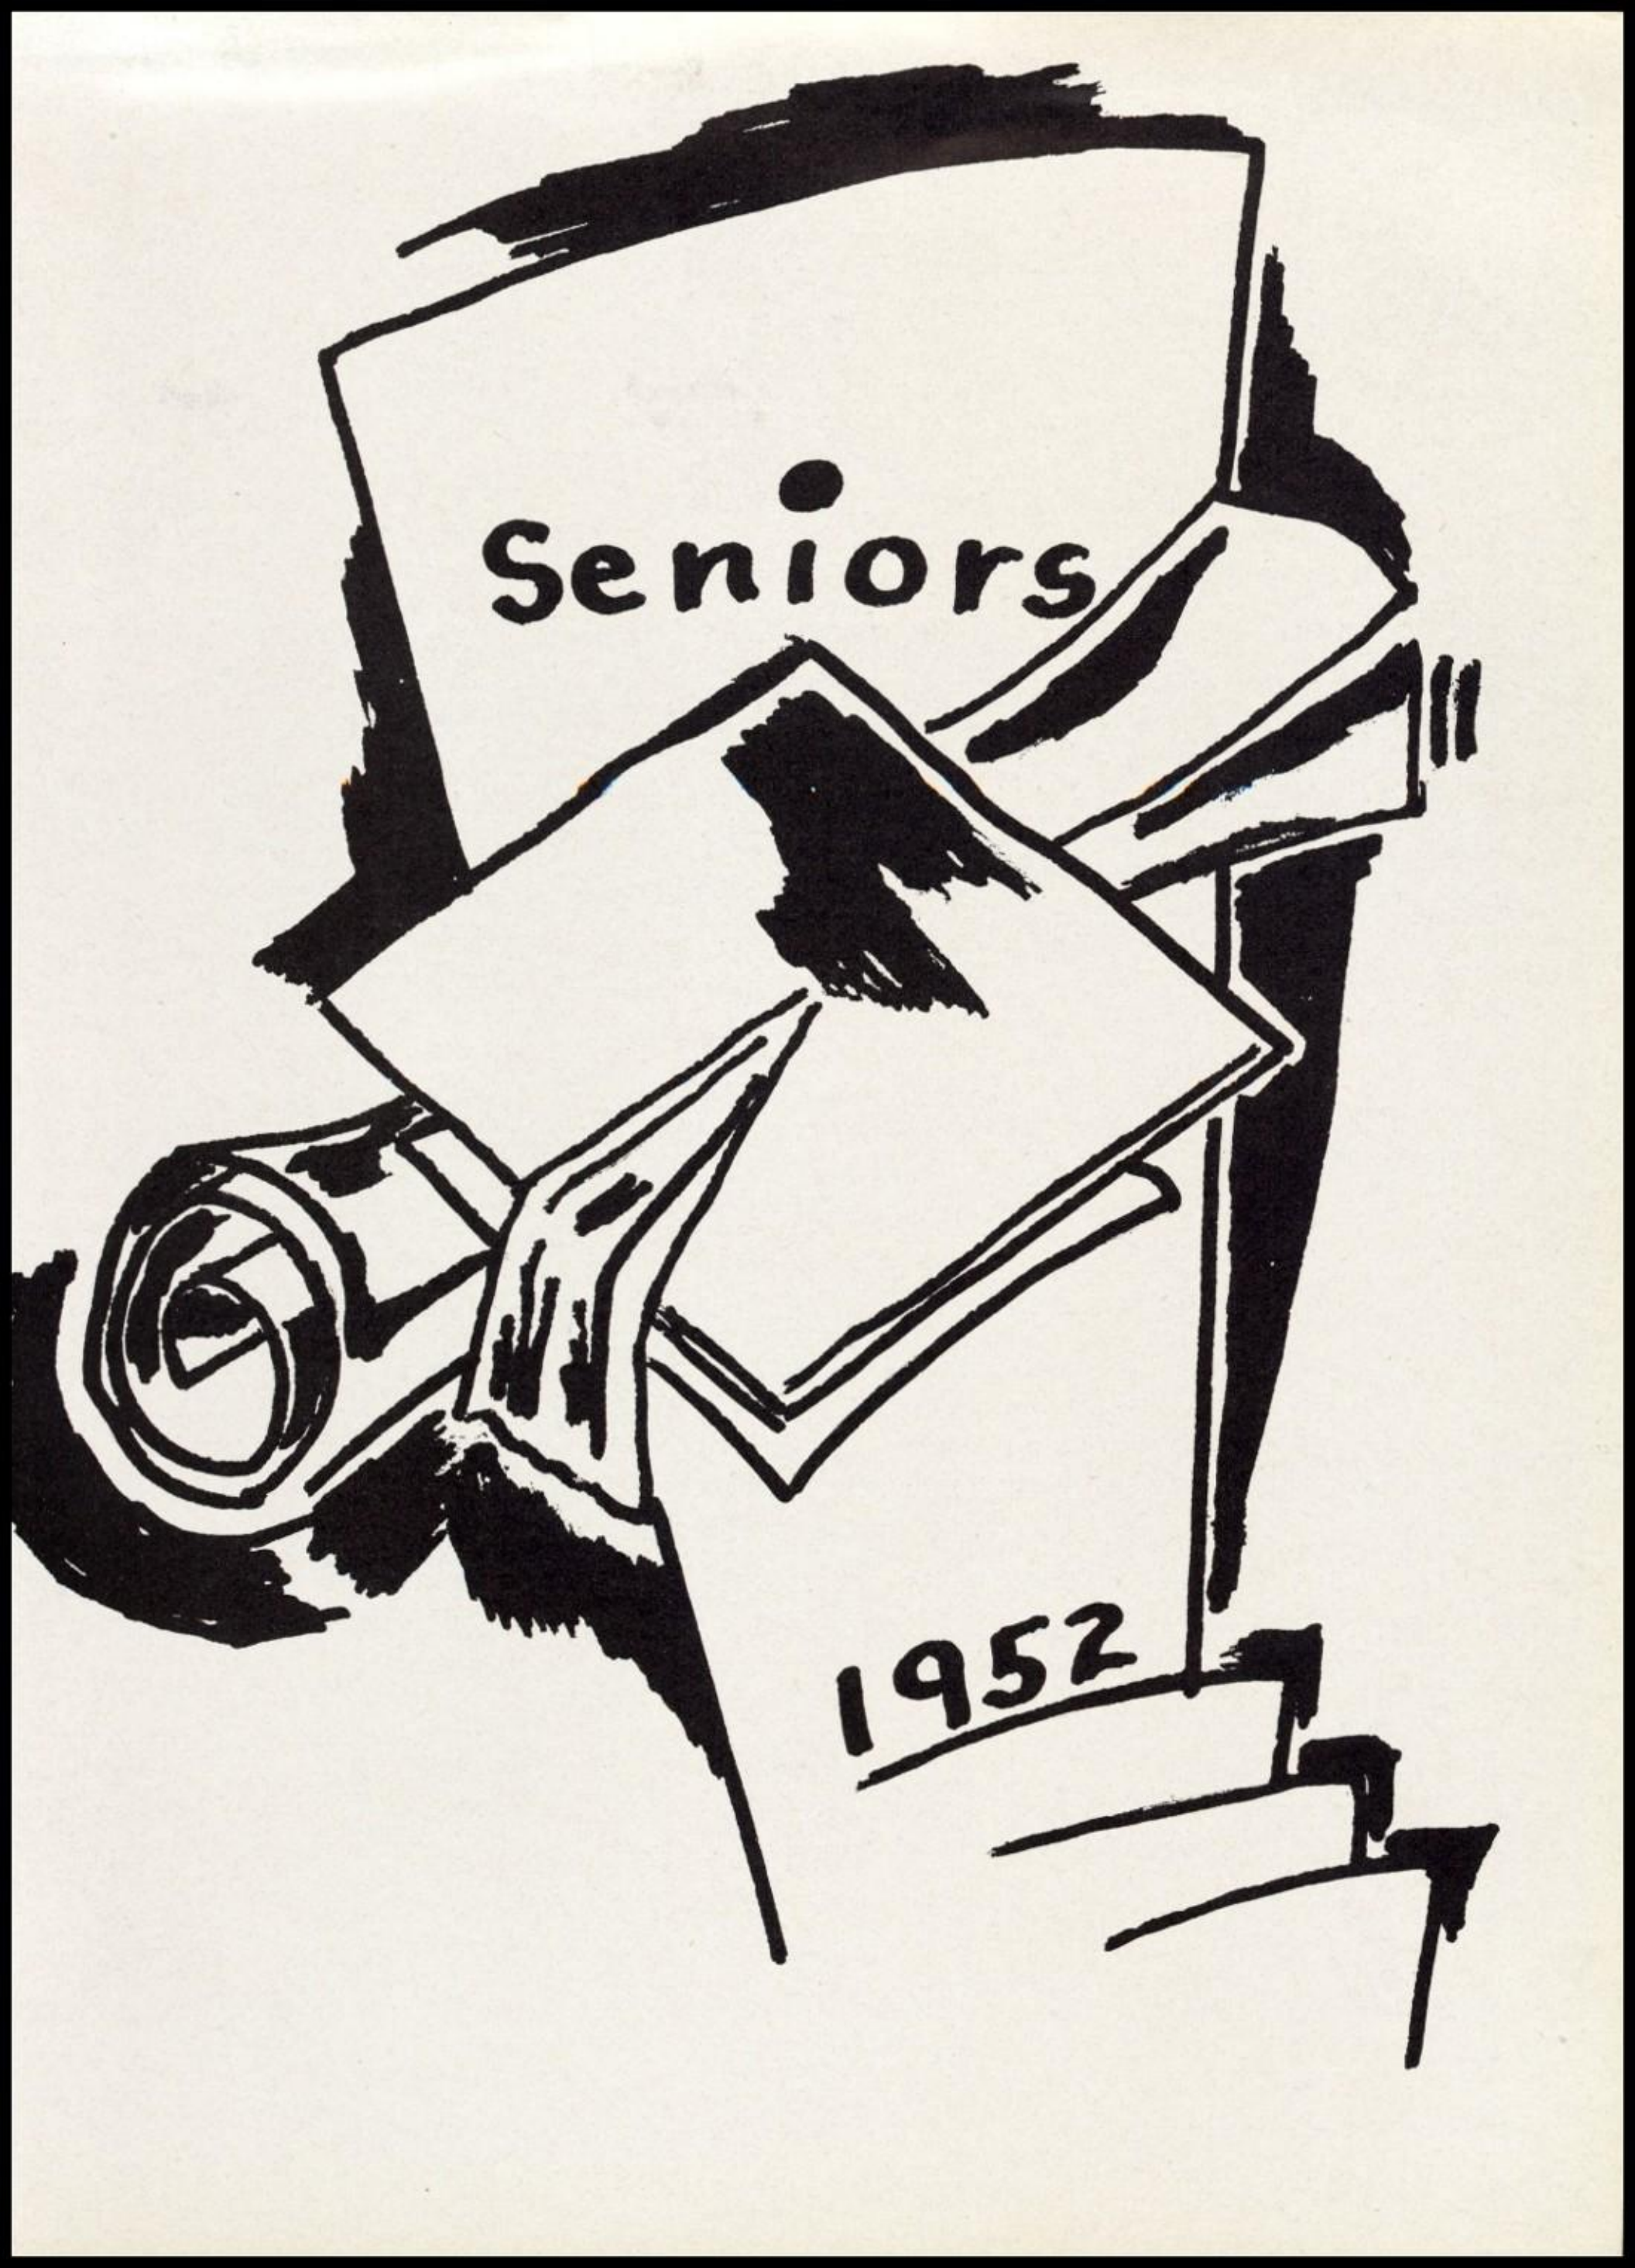

Most wonderful of all of course, has been our Senior year. In the fall we had our Senior pictures taken and presented our class play, "Good Bye, My Fancy." Again, in our senior year, we presented what we considered a very good assembly.

May was really a busy month for the Senior Class. First of all came the senior prom and the choosing of our Prom Queen. Then came our trip to Washington, D.C., - - - a trip we will remember the rest of our lives. Towards the end of the month came baccalaureate, Senior Day, and last but far from least - - - Commencement.

Yes, time goes by very quickly. These four years at Whitmer have passed swiftly and have been four of the most wonderful years of our lives.

Class motto:

To strive, to seek, to find and
not to yield.

At last! We, the class of 1953 are upper classmen! It hardly seems possible that just two years ago we were timid little freshmen entering Whitmer's halls.

Our freshman year we sponsored a skate and a dance, The Freshman Frolic.

Our Sophomore year we presented an ice skate and a dance. Under the capable supervision of Bernard E. Frost, we completed our first two years of high school.

With Lois Loehrke as our advisor, we began our junior year by choosing our class rings and pins. We then presented our attendant for the Annual Homecoming, selected our Class Play, produced our assembly, sponsored our Junior Prom and honored the seniors with a Junior and Senior Party.

As the year draws to a close and we look back on all the fun we have had and the new friends we have made, we can truthfully say that we are proud of our three happy years spent at Whitmer.

SOPHOMORE CLASS HISTORY

September was here again and we were rushing here and there greeting old friends and making new ones.

Our Freshman year we presented a float and a queen for the Annual Homecoming. We sponsored a skate and produced an assembly.

Our Sophomore year we also presented our queen for the Annual Homecoming. We planned for the remainder of the year such things as a float, a skate, a dance, and a class assembly.

All of this was accomplished under the helpful supervision of Harvey Davis, our advisor.

Freshman Class History 1951 - 1955

The mighty halls of Whitmer looked awfully long to us, the freshman class of 1951. With the help of the "Nutshell" we found our way around this spacious school which is to be our Alma Mater for the next four years.

Our elected officers: Gale Jones, President; Dolores Christaldi, Vice President; Darry Leathers, Treasurer; Carol Kennedy, Secretary; and Richard Digby as our Sergeant at Arms, along with Mr. Hersland, as our class advisor. We have hopes of making this freshman class go down in history.

Our first activity was choosing a queen to represent our class at the Homecoming Game.

We thought we were pretty big that eventful September day when we came to Whitmer. It didn't take us long to realize how "green" we were to the ways of high school life, but with the splendid friendly atmosphere at Whitmer we soon were drawn in as a member of this happy Whitmer family.

Each year we entertain orphans at Christmas, and give a basket of food to a needy family at Thanksgiving. We have each year made favors for the Red Cross, for hospitalized veterans at Christmas. One of our biggest projects here at Whitmer has been going on for three years: the redecorating of the dining and sewing rooms. We consider our job done, and our club a success.

It strives to evaluate the opportunities which teaching offers for service, for goodness of life, and for security of income, and to show how it is related to individual purposes, talents, and aspirations.

Membership in the club is open to any junior or senior who has a sincere interest in teaching as a chosen profession. Activities include assisting individual teachers on the Whitmer faculty with paper-grading and classroom supervision; attending High School Day at the University of Toledo each spring; attending F.T.A. club meetings on the campus of the University; acting as hostesses at the annual Whitmer Open House; and assisting in any other way possible in the service of school interests.

JOURNALISM DEPARTMENT

Now in its 5th year, Journalism at Whitmer High School was started in 1947, and was taught by Miss Mary Monaghan, who also taught Business English and Business Math. There was only one small class, which published The Oracle and The Flying W.

The following year, 1948, Mr. Arthur H. Rice came to Whitmer and taught Journalism to a class of eighteen.

In 1949 the Journalism class had 28 students; in 1950, there were 3 classes, totaling 69 students, and in 1951 for the first time Mr. Rice, who formerly taught Journalism and English, has had nothing but Journalism classes.

This program has enabled more students to understand and appreciate the importance of the written and the printed word. There have been 120 students in the five Journalism classes at Whitmer this year.

Work on the 1952 Oracle began even before school started last September. In August, Oracle Editor Mary Jane Ray called a meeting of the staff officers. With this start and a good bit of the layout of the book planned, the 1952 Oracle was well on its way.

Some previous yearbooks have come out after the close of school, but this year the staff members were determined to "get the 1952 Oracle out on time" and continued to strive for this goal during the months that followed.

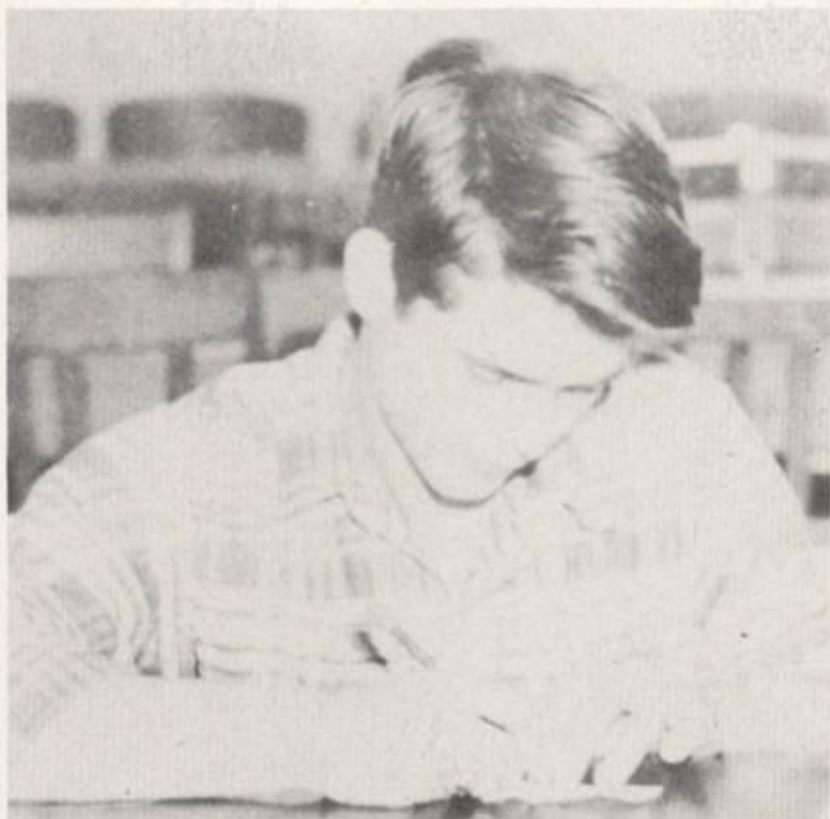

Although the increased enrollment brought problems, with the help of Arthur H. Rice, Oracle advisor, the staff managed to untangle their problems and enjoy the work.

THE FLYING W STAFF

The Flying W, a monthly paper published by the Journalism Classes of Whitmer High, has been an outlet of news to the student body for many years. During this time it has been under the capable direction of student editors.

The publishing of the school paper depends upon the support of the student body. This year, 80 percent of the students are paid subscribers.

Row One: Clark Swindle, Sue Davis, Dick Kurth, Bob Willson, Nancy Clevenger, Donna Dawson, Mary Jane Ray, Glenna Wandtke, and Joyce Kester. *Row Two:* Dolores Sniadak, Carol Cox, Jim Albright, James Donath, Roberta Wales, Wanda Logan, Kenny Larrow, Bud

RADIO JOURNALISM

Row One: Bob Willson, Wanda Logan, Bud Gose, Dolores Sniadak, Dan Kramer, Mary Jane Ray.

Two: Marvin Baxley, Ronnie Taylor, Jack Graham, George Swietzer, Ernie Wright.

The Radio Journalism class at Whitmer High School, the only one of its kind in the world, is in its second year of progress. It was founded to promote publicity and instruct students in the art of radio news broadcasting.

QUILL AND SCROLL

Quill and Scroll is an honorary society which entered Whitmer in 1949. We have two chapters at Whitmer; the news chapter which is founded in the name of Grove Patterson, editor of the Toledo Blade, and the radio chapter which is founded in the name of Edward R. Murrow of the Columbia Broadcasting System.

There are three requirements needed to be a member of Quill and Scroll: First, the student must be a Junior or Senior; second, he must do a required amount of work; third, he must have a "B" average in his class work.

The club holds an annual banquet of recognition and engages in other various activities throughout the year.

Row One: Wanda Logan, Bud Gose, Dolores Sniadak, Dick Kurth, Bob Willson, Nancy Clevenger, Mary Jane Ray, Roy Grant.

Row Two: Bill Pence, Ernie Wright, Ronnie Taylor, Jack Graham, Marvin Baxley, Dick Johnston, Carl Windnagel, A. H. Rice, advisor.

THE SPEECH DEPARTMENT

The Speech Department of Whitmer has long been one of the most active departments in the school. Every year the Junior and Senior classes present their annual plays. At Christmas they have a group of choral readers tell the Christmas Story. With all its many other activities the speech department provides entertainment for the students as well as teaching them the fundamentals of speech.

MASQUE AND GAVEL

Row One: Marvin Baxley, Roberta Wales, Sue Davis, Ethelann Nofziger, Elinore Grant. *Row Two:* Miss

Loehrke, Margie Mahon, Carol Cox, Wanda Logan, Barbara Binkley, Dolores Sniadak, Miss Wirick.

The purpose of Masque and Gavel is to encourage "Speech for Use," the club's motto. In order to be inducted into this honorary society, members must be outstanding in some phase of speech work, such as plays, speech contests, or other school activities in which speech has played an important part. The club sponsor is the public speaking teacher, Rebecca Wirick. In its four years at Whitmer, Masque and Gavel has been recognized as a co-operative, progressive organization.

Jean Barnes, Lee Blessing, Barton Blossom, Jerry Bodette, Marilyn Bork, Nancy Clevenger, Elizabeth Hamrick, Marilyn Schutt, Elissia Sprynsky, Ronald Walker, Bruce Weidman, and Edward Sharp are the new initiates.

PRINCE OF PEACE CONTESTANTS

Under the guidance of Miss Rebecca Wirick, Whitmer High School students participated for the seventh year in the annual Prince of Peace declamation contest. These contests are sponsored by the Ohio Council of Churches. There are no requirements to enter the contests. Any Sophomore, Junior, or Senior may take part. We participated in eight local contests having eight winners. We had one winner in the county contests, but lost out in the district. The pupils memorized speeches written by college students. The primary purpose of the Prince of Peace contests is to spread the message of peace.

Row One: Grace Spencer, Ethelann Nofziger, Gail Sellick, Elizabeth Hamrick, Marjorie North, Marilyn Bork, Jo Burson, Elissia Sprynsky, Joan Barnes, Nancy Clevenger. *Row Two:* Margie Packard, Donna Good, Vivian Smith, Barbara Sharp, Leona Smith, Jill Muir,

Clare Jones, Dolores Sniadak, Jean Barnes. *Row Three:* George Chandler, Lawrence Rohr, Dotty Hassfeld, Dick Clevenger, Dave Thompson, Ronnie Walker, Barton Blossom, Arlan Church, Nancy Schwab.

PRINCE OF PEACE WINNERS

These are the eight people who won the local Prince of Peace contests. Under the supervision of Speech Teacher, Rebecca Wirick, they engaged in friendly competition with students from other county schools. In keeping with the tradition of Whitmer, they were able to bring back a first place award—won by Dave Thompson. From here they advanced to the District contest.

Clock-wise: Dolores Sniadak, Elizabeth Hamrick, Dorothy Hassfeld, David Thompson, Nancy Clevenger, Ethelann Nofziger, Elissia Sprynski, and Barton Blossom.

THE WHITMER LIBRARY

With Miss Elizabeth Louise Brown "pulling the strings on her little puppets," the Library Council is an old established institution. From its humble beginning in the Freshman Study where typewriters now click away, to its present site across the hall from the Journalism Department, the Library has grown with the school it serves.

The Library's books total 2,625 which isn't near Miss Brown's goal of 3,800. Her budget in 1951-1952 is \$1200.

But to the average library customer, these figures mean nothing because all they notice is the friendly atmosphere and the way that Miss Brown handles her fun-loving assistants.

The present Library Council was first organized when Miss Elizabeth Louise Brown came to Whitmer in 1948.

The assistants get one-half credit per year for three periods per week. A student must be a Sophomore and must have average grades to join.

The Council sponsors a biennial Book Bazaar where all types of books are sold. They also sponsor after-game dances and other activities.

One of the Council's main obligations is to further a better understanding between students, faculty, and the Library. They serve as a public relations group to make the Library an outstanding, well-used, and appreciated part of the school.

MUSIC DEPARTMENT

In 1936, eight years after the Whitmer doors were first opened, our music supervisor, Mr. Clyde L. Brown, started a school orchestra and glee club. In 1938 the Whitmer Band and A Cappella choir were organized. The band consisted of 20 members who practiced after school.

It is a tradition for the department to sponsor a Christmas Program and a Spring Concert, in addition to all the other appearances of the band and A Cappella choir.

Mr. Brown had help from Mr. Frank Swain in 1941 which was greatly appreciated, but because of illness Mr. Swain had to resign. Mr. Brown, although short of help, has responsible student co-operation, such as student band directors.

Through Mr. Brown's hard work the music department now consists of four choirs and a band of 60 members marching at each game in patriotic maize and blue uniforms.

The six high-stepping Majorettes and the Head Drum Majorette made the 1951 football season an array of bright color. These seven girls are a very active group, all through the year.

Besides their eye-catching maneuvers on the football field, they also participate in the pep-session, and sponsor after game dances, and the annual Sock Hop.

Three of the senior girls are graduating: Pat Burtscher, Nancy Clevenger, and the Head Drum Majorette, Marianne Kleinsmith. There are four very capable high-steppers to continue the work.

WHITMER'S BAND

Whitmer's band, directed by Mr. Clyde Brown, head of Whitmer's Music Department, furnishes music and color for many of the activities conducted at Whitmer.

The Band plays and marches at football games, at special assemblies, and the Circus. The Band not only helps to spread school spirit but also adds another chapter in Whitmer's achievements.

Gose. Row Three: Dean Showalter, Bob De La Rond, Duane Taylor, John Stevens, Eddie Meredith.

The Varsity W, which is made up of Whitmer High's shining athletes, is one of the most respected clubs in the school. Mr. Mustain, new advisor this year, has done a commendable job.

Initiation to the Varsity W club is strict, and separates the men from the boys. There are three degrees. The first degree is a week of informal meeting in the boys' gym; the second degree is one night of "heck"; and the third degree is a formal dinner when pins, oaths, and other formalities are taken care of.

The club's main source of income thus far has been the selling of concessions at the Whitmer annual circus.

This year Whitmer placed four seniors boys on the G.N.C. mythical football squad. Headed by Bill Francis, who made first team end, the group included Danny Kramer, and Bud Gose made the second team in the backfield, and Dick Kurth who made honorable mention as a lineman.

Danny Kramer made the first team his junior year, but was hampered by injuries this year.

Players on the first team received a gold football and a certificate. Players on the second team were given a medal.

Kneeling: Dick Kurth, Bud Gose.
Standing: Danny Kramer, Bill Francis.

October 26: Whitmer, 7; Maumee, 14.

Whitmer suffered its third consecutive setback at Maumee, 14-7.

The Whitmer Panthers played host to the Burnham Wildcats, and battled to a 6-6 deadlock.

Burnham's Harold Burch slashed off his own left tackle and stampeded 76 yards for the score, in the first period of play. Whitmer scored, about midway in the fourth quarter, on a Bob Vess to Bill Francis pass. The Panthers' T.D. drive started on their own 20.

HISTORY OF BASKETBALL

In Whitmer's first 21 years, the school has participated in Basketball, with a record of 148 games won and 135 games lost. There have been six coaches in Whitmer's Basketball History: Mr. Messmore, 2 years; Mr. Stacy, 5 years; Mr. Crow, 3 years; Mr. Zintgraff, 4 years, and our present coach, Al Alveraz who has been here 6 years. Whitmer has had only one undefeated team, that being in 1930 when they won 14 straight games under the coaching of Mr. Messmore.

Bill

Panther cagers receiving advice from Coach Alvarez during a Whitmer time-out.

Andy Zimmerman, Senior, 5' 11", forward, has a one-handed shot with which he makes most of his points. He takes his position at forward seriously. "Zimmie" is one of the better foul-shooting artists on the squad.

J. D. Donath, Senior, 5' 9", guard, is the scrappy guard who never says "die." When others are tiring or becoming discouraged, he has just begun to fight.

Bill Francis, Senior, 6' 1", forward, has been one of the leading factors in helping Whitmer this year. He has perfected a good one-push shot. Bill is consistently taking the ball off the backboards.

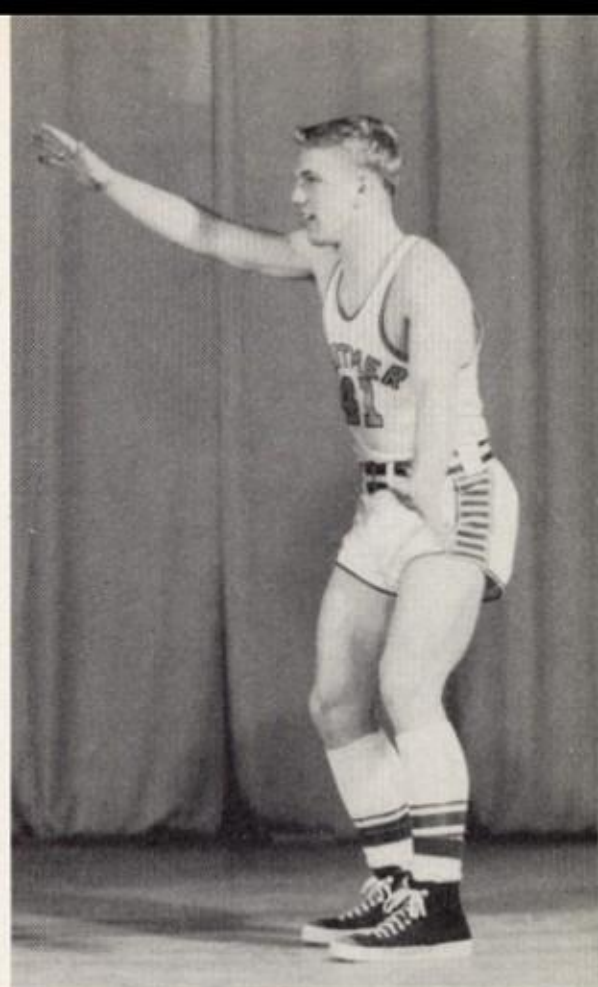

Dan Kramer, Senior, 5' 7", forward, continued his good ball playing in his fourth year on the hardwood courts. His speed and clever ball handling made him of great value to the team.

Danny

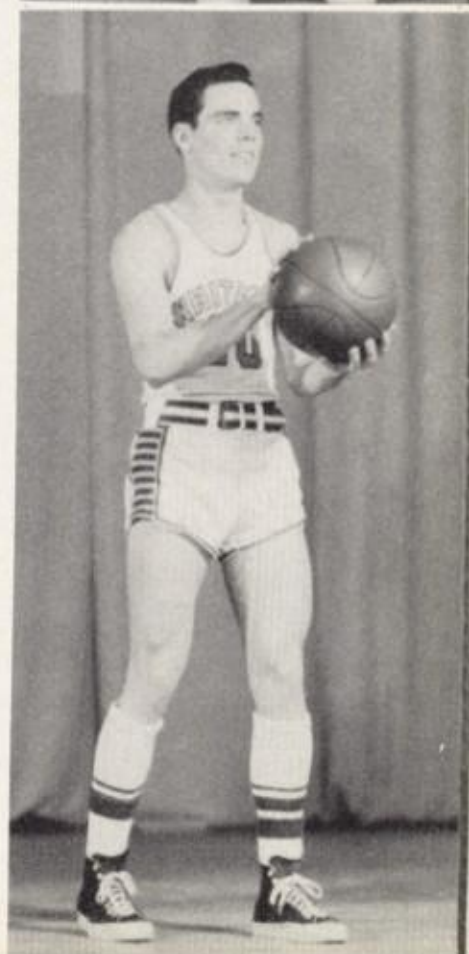

Gene Knauss, Sophomore, 6' 3", center, uses his height to good advantage, for he is often high scorer. His best shot is a hook. He has two more years to continue his good playing at center for Whitmer.

Gordie Lynch, Junior, 5' 8", guard, is a hoopster with a bright future in basketball at Whitmer. From his position he makes many important points with his one-handed push shot.

Gene Knauss, sophomore center, scores for the Panthers in a cage battle against Burnham.

Jerry

Jerry Bodette, Junior, 5' 11", guard, who will be of great value to the cage team of next year. His ability to shoot a one-hand shot earned him a position on Coach Alvarez's squad this year.

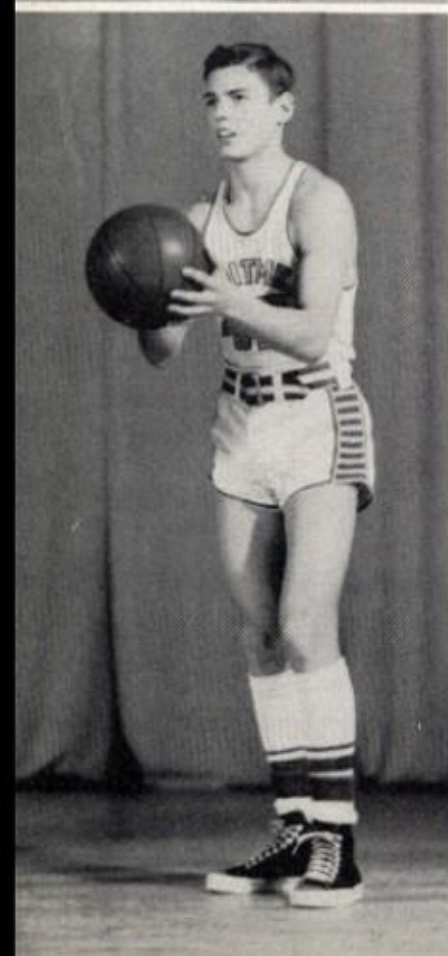

Arlen Miller, Junior, 5' 11", forward, was out of action for the first part of the year because of illness but was able to play the latter part of the season. He is another Junior boy who shows great possibilities.

Arlen

Senior guard, J. D. Donath scores in Whitmer's 66-37 rout of Maumee, after stealing the ball.

Dennie

Dennie Leathers, Junior, 5' 8", guard, a small lad who possesses the ability to make an excellent ball player. Dennie shoots both a one-hand and two-hand shot with great accuracy.

John Stevens, Junior, 5'10", guard, is another one of Whitmer's promising cagers for "52-53". Johnny is one of the better defensive assets of the Panther five.

Johnny

Senior, Dan Kramer, drives in for a lay-up against Clay, Jan. 11, Clay won, 47-33.

Lee

Lee Stahl, Junior, 6', forward, shows great ability to become one of Whitmer's best players, his best shot being a one-hand jump shot.

Earl Birr, Junior, 6'2", center, earned a Varsity position this year behind Knauss at center. His best shot is a one-hand push shot. Earl will play a more important role, his Senior year.

VARSIITY CHEERLEADERS

Kneeling: Dorothy Timerman, Barbara Sloan, Mary Jane Ray. *Standing:* Nancy Nicely, Lois Hartsel, Beatrice Herbster

These seven girls are entitled to a lot of credit and praise. They have been seen at all the games cheering our teams to victory. At the beginning of the year the girls chose their head cheerleader, Mary Jane Ray.

Some of the activities of the girls during the year included candy sales, an after-game dance, and pep sessions. They also try to promote good sportsmanship and fair play among the student body.

Miss Nancy Lee Butler is their advisor.

RESERVE CHEERLEADERS

These four girls are new members of the cheering squad, chosen this year. They are doing a wonderful job participating in pep sessions and cheering for the Reserve football and basketball teams.

There are two Sophomores, Mary Ondrus, acting captain, and Janet McClovic, and two Freshmen, Rosemary Dennis and Sally Frost.

Next year they may be seen on the Varsity cheering squad. Miss Nancy Lee Butler is their advisor.

Kneeling: Sally Frost and Rosemary Dennis.

BASEBALL

Whitmer's diamond days started in 1929 under the direction of C. L. Messmore, who guided his team to the state tournament in Columbus. Whitmer teams after 1929 through 1944 were mediocre. Then, in 1945, under the direction of Donald Stacy the Panther nine advanced once again to the state tournament where they won two games before being eliminated. From then until 1949, Whitmer's team played better than average baseball. In 1950 they won the G.N.C. Conference Championship.

The Panthers lost a heart-breaker to Burnham, 5-4. Whitmer collected only two hits. Ken Yarger walked 11 men.

April 27—Whitmer, 5; Clay, 4.

GIRLS' SPORTS

The history of girls sports takes us back to when the doors of Whitmer were first opened. Basketball was the only sport that existed for girls until 1941 when the Girls' Athletic Association was organized through the efforts of Miss Elinor Fischer and Mr. Donald Stacy, to give the girls of Whitmer opportunities to participate in athletic activities. When the war broke out in 1941, it was impossible to continue this organization.

In 1943, girls' bowling began at Whitmer. The girls were very interested in this sport and now the bowling team is a strong organization.

It was not until 1949, that a girls' softball team was organized under the direction of Miss Nancy L. Butler, girls' physical education teacher.

In 1950, Miss Butler formed not only a softball team, but also a volleyball and hockey team. The girls had a very successful year.

This year and last, the same program was followed and again the seasons were successful.

GIRLS' VOLLEYBALL TEAM
